R9: Chain 5, make 7 dc into the center dc of the shell from the previous row, chain 3, slip stitch into the same space as the slip stitch from the previous row, chain 3, make 7 dc into the center dc of the shell from the previous row, chain 3, 1 hdc into the last space. Chain 1, turn.

R10: Make 1 sc into the next space,* 1 sc, ch 3, slip stitch into 3rd chain from hook (picot made), sc into the next 2 spaces**. Repeat from * to **three more times, sc in the next space, skip the next ch-1 space, slip stitch space, and the next ch-1 space, make 1 sc in the next space, repeat from * to ** across. Do NOT Fasten off.

JOINING

Join the front and back of the heart pocket together by making a series of 3sc, 1 picot through both layers. Fasten off. Weave in ends.

Crochet Heart Pocket Pattern

To make a picot:

Chain 3 and then slip stitch (or single stitch) into the 3rd chain from the hook.

To join both layers:

Make a series of 3 sc, 1picot through both layers simultaneously.
